

# NEXT GEN LEADERS

Summer **UPDATE**

**YOU DON'T WANT  
TO MISS OUT!**

**Welcome to the **FIRST EVER**  
NextGenLeaders newsletter!**

We are very excited to begin our NextGenLeaders newsletters to give you all the latest updates and opportunities for you to get involved in.

Don't forget to share our news with other teachers, school leaders, parents and students so that they can see the wonderful work that young people in Yorkshire have been taking part in.

## WELCOME!

Welcome to #NextGenLeaders, we are a **leading youth social action and social enterprise education charity** supporting hundreds of young entrepreneurial spirits every year.

Our vision is to provide opportunity for young people to feel empowered to take action in their communities. Where privilege doesn't dictate engagement, but project-based learning helps to shape communities and no young person is disadvantaged or marginalised from youth-participatory action.

## What went on?

1. **Finalists presentations** - seven teams presented their projects on stage to our schools and judges. You can read about their projects [HERE](#).
2. **Speaker Steve Pipe**, Author of 'Our time to RISE' and former UK Entrepreneur of the Year gave a talk about how small changes can make a big difference. You can read about his work [HERE](#).
3. **Project Carousels** were on display so that we could see some teams' projects on stalls.
4. You can find a set of our photos from the day [HERE](#).

## WELCOME TO OUR

## NEW SCHOOLS

We're really excited to be adding some new school teams to the #NextGenLeaders Programme for the 2024-25 year. A very happy and excited to welcome these schools, their staff and students to join our established teams:

**Trinity Cathedral  
Lawnswood School**

**Hull Trinity House  
Headlands School**

**Leeds City Academy  
Outwood Freeston**

## HOW IT WORKS

### ESTABLISH A TEAM

Work out which students in your school would work well in the Programme.

### TRAIN & DEVELOP

Use the SDG cards and Changemaker Journey log to find out more about projects to help communities.

### COMMUNITY PROJECT IMPLEMENTATION

Embed the project in the community - this might need help from project partners, adults in the school and from NextGenLeaders but we can all work together!

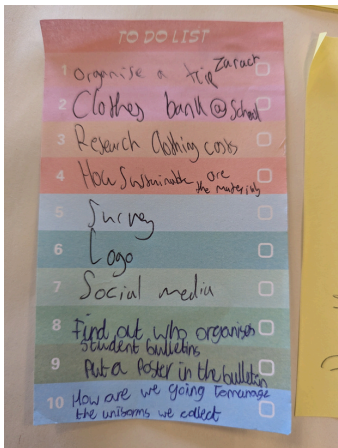

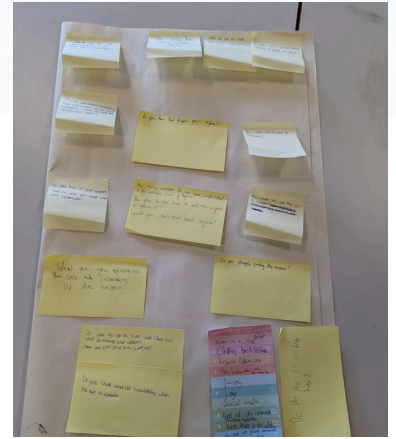

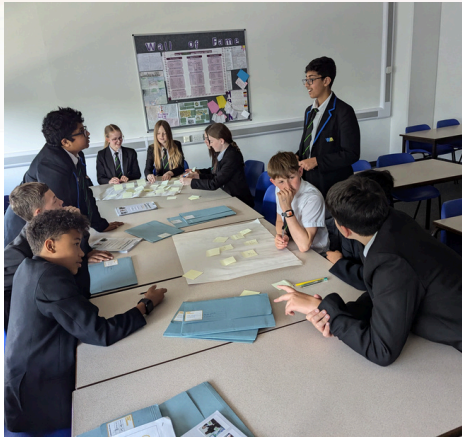

### IMPACT

Look at what is working and see what impact you are having on the community around you. Does anything need to change for the next year's team?

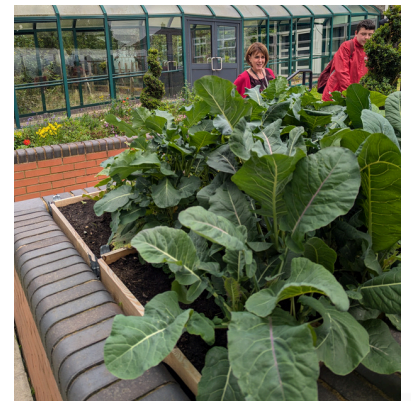

## WHAT'S BEEN HAPPENING - PAGE 1

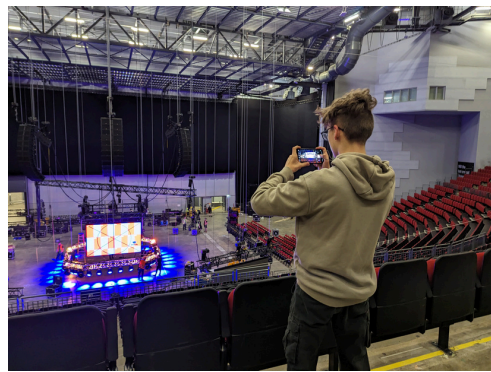

**Whitcliffe Mount** have been coming up with ideas for how to move their projects forward so that they can hit the ground running in September.

**Airedale Academy** have been looking after their vegetable garden as part of their Cook and Grow project. They have broccoli, tomatoes, cucumbers, chillies and so much more!

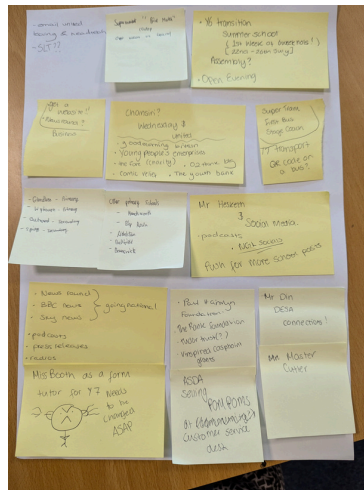

## WHAT'S BEEN HAPPENING - PAGE 2

**Certificates** some schools have been giving out their NGL certificates in assemblies and special breakfasts with SLT. Amazing celebrations. I love this!

**Lighthouse School** visited the First Direct Arena to look at how their sensory space could be implemented there.

**Sheffield Park** spent some time looking at how they can develop their projects next year. They also demonstrated how their Project H team sort the food for families who receive food parcels.
